

" Notice of To Residents "

The History Preservation Roundtable of Allegany County (HPRAC) is interested in placing a historic marker at a site in Allegany County that is not currently marked as an important site in Allegany County's history. In order to include many possible sites for consideration, HPRAC would like suggestions as to an appropriate site. Suggestions can be submitted by any resident or non-resident of Allegany County; we encourage people of all ages, from students to Senior citizens, to participate. Although folklore and peoples' memories are interesting in recalling history, we will be selecting the site based on written documentation, preferably from several sources such as old newspapers, books, photos, maps, and other written records. A persuasive reason why the site should be selected should also be submitted.

Interested applicants should contact Rose Feenaughty (maryfee2@stny.rr.com) or Nancy (Gillette) Mayo (ikenan@rochester.rr.com) prior to submitting their selections. All suggestions must be received no later than Memorial Day, 2018. The final decision will be made by July 4, 2018.

For further information, please email or call Rose Feenaughty [585-928-1796](tel:585-928-1796) or Nancy Mayo [585-268-8025](tel:585-268-8025).
