Discussion regarding sizeable water bill for resident. Meter reads and timelines reviewed, does appear the water did go through the meter at a higher rate for a few months then returned to regular readings. Does not appear to be an error in billing or recording, thus the usage was confirmed. Decision to keep the bill as is was unanimous. Glenn Nickerson reported that the town of Alma was borrowing our International truck for a few weeks.

Recognition given to Crystal and John as their last meeting as Town Councilman's. Their commitment and dedication to their positions on the town board will be greatly missed.
